So went there and left after 15mins and took the kids to lunch. They wanted to go sunset and then wanted ice cream after so went to beach wave then hung out for an hour after. So if you free over the next few days would like to just have a drink with you to chat. I'm just trying to sort things out as I don't want to be the burden on you anymore so let me know if you free. Also had a friend pass away and have a memorial now at 5pm

of mahi but didn't win anything

[9/14/20, 3:35:23 PM] Kevin J Scott: Dropping fish now

[9/17/20, 8:13:48 AM] Kevin J Scott: Good morning how are you? I have some red snapper for you. You want fillet or whole snapper?

[9/18/20, 12:08:48 PM] Fame Carmella Elizabeth Varona: We need to let him know how to move forward

[9/18/20, 12:13:37 PM] Fame Carmella Elizabeth Varona: Call me when you can

[9/18/20, 12:13:49 PM] Kevin J Scott: Just get the car back Fame. I'm not spending anymore money on it and having 2 cars. Can't afford it. I only got the front bumper fixed and sprayed for \$500 from the last time you had it. And got it done to sell it. I just can't do it anymore. Just tired now

[9/18/20, 12:14:06 PM] Fame Carmella Elizabeth Varona: Contact card omitted

[9/18/20, 12:19:10 PM] Fame Carmella Elizabeth Varona: I was going to put \$350 towards the car. You know the transmission was already fucked up and the mechanic will tell you that it had slow leak and the car was not serviced since you got it probably

[9/18/20, 12:21:53 PM] Fame Carmella Elizabeth Varona: The bumper only had a few marks on it \$500 seems high for that.

[9/18/20, 12:27:06 PM] Fame Carmella Elizabeth Varona: I am getting the Audi fixed this weekend but need to get a new battery as it is not recharging that will be over \$600 and I paid for rental car until end of month \$550 and am willing to give you the \$350 towards the car as I was driving it at time but we both know the car was fucking up when you gave it to me.

[9/18/20, 1:52:23 PM] Kevin J Scott: Alright Fame. Just get it fixed for the \$527. I'm just tired now. I can't afford to keep 3 cars. Just want to get them fixed and sell them, and get the money owed that sent you in the states last year. I've only done this to try and prove to you how much I care for you and show you that I'm not just here for the short time. I can't do it anymore. 5 1/2 years we've been 'hanging out' and nothing has changed. In fact it's got worse. We don't spend any time together at all. Don't even speak now. Let alone see each other. We went for dinner the night before Valentines and you said you would make an effort. I tried to do a few things with you but every time you said you couldn't. So I just stopped asking. I bought you a few hundred dollars of food before Covid and then when I needed my car when the Audi stopped working, that was the end of hearing from you. And I even had to pick it up as you couldn't drop it to me and me drop you home. Anyway, I'm not trying to piss you off, as I said I wanted to speak to you. I know you have no interest in me and that's ok. I guess if you did something would have happened by now. I'm ok with it. I'm just going to accept it. Don't want to be that burden on you. You are a strong woman and I don't want to be that pain in the ass to you. I really wanted to talk to you face to face but can't seem to get that chance. All is good Fame. Always free to chat with you whenever you want. Maybe sometime in the future you may change your mind and give me the opportunity. As always have the heart for you♡

[9/30/20, 11:48:30 AM] Kevin J Scott: Please send me the guy info again

[9/30/20, 12:37:11 PM] Kevin J Scott: I just drive down Soarky drive and find it. What happened to the car? I just got this fixed before I gave it to you. Please have him fix this. This is so disrespectful to be honest. I just spent \$500 on repairing and spraying it before I gave it to you

[9/30/20, 12:51:23 PM] Fame Carmella Elizabeth Varona: Contact card omitted

[9/30/20, 12:52:54 PM] Fame Carmella Elizabeth Varona: Call soon in meeting

[10/22/20, 1:54:30 PM] Fame Carmella Elizabeth Varona: I am good thanks. Bumper fixed. He has no space
[10/22/20, 2:43:18 PM] Kevin J Scott: Ok. I'll try get someone to pick it up. Can you tell me when I can pick up the cash? And what's the update on the Audi as you said he was working on it. Thanks

[2/19/21, 10:14:38 AM] Fame Carmella Elizabeth Varona: Ty but I work for myself and am building on that. If I could get a small part time I would not mind but between client meetings, real estate and radio (starting bk soon) will be hard to do much of anything else.
[2/19/21, 10:14:56 AM] Fame Carmella Elizabeth Varona: Challenging now but well worth it in the end
[2/19/21, 10:15:08 AM] Fame Carmella Elizabeth Varona: Grateful

Wish it was different as I enjoy spending time with you and love your company and wish it was more but that's life I guess. Just been really sad last few months coz of it, and why I was cold towards you on Friday when I saw you 🙄🙄🙄🙄
[2/20/21, 10:07:58 AM] Kevin J Scott: Sorry for sending that message. Just ignore it as if never sent. Wasn't expecting a reply

[3/18/21, 4:56:05 PM] Kevin J Scott: Hey thanks for the lunch company today. I did want to say something but you were all hype and happy, motivated about work so I didn't say anything. I was basically just trying to meet and ask when you were going to arrange and make payment and get car fixed. Just trying to get it arranged so I don't have to keep messaging you. I just want to stand back as we have obviously fallen far apart. There is obviously no feelings that you have for me and I don't want to pressure you anymore. I do still care for you and doesn't help. I know you have a lot going on and always do and trying to sort your life out, but I was always hoping that you would have let me in to be there for you and with you, and take things slow. But I totally understand and not gonna stress you anymore. On a side note, I did mention, and would like to help you, if you or your parents need any painting or fixing in your house or theirs just let me know. You would just need to get the materials/paint. I'm always free every evening as I'm always home these days and weekends

Premier Designate, G. Wayne Panton, also offered his gratitude to the outgoing administration and former legislators saying:

"I want to thank Premier McLaughlin and his team for their service to our islands as public service is still a noble calling. I also want to use this opportunity to thank the other Parliamentarians who also served our islands over the past 4 years but were unsuccessful at the polls. In their contributions, they have left their fingerprints on the development of our islands."

Premier Designate, G. Wayne Panton, also offered his gratitude to long-time Member of Parliament, Anthony S. Eden and concluded by saying:

"My team wants me to recognize the contributions of Mr. Tony as a legislator for almost 3 decades. His unbroken service to the People of Bodden Town, Savannah, and

[7/17/21, 4:29:48 AM] Kevin J Scott: Can you let me know please?
[7/17/21, 8:18:22 AM] Fame Carmella Elizabeth Varona: Please dont message me at 4:30in the morning about foolishness
[7/17/21, 8:25:03 AM] Fame Carmella Elizabeth Varona: I did not tell you July. I told you I could fix the car as soon as I am able to. My main focus has been survival and my daughter going to college...you dont even ask me how I am doing...everytime I speak to you ...one word answers...you make everything so awkward when we used to be friends...and because things didnt go your way, when you wanted more. I am trying!!! Want to do a few events that might put me in the position to get the rest of money I need for Sosi and college and to fix your damn

car or the one you said multiple times was mines that you want back now!! Which I want to fix and give back!!

[7/17/21, 8:38:20 AM] Fame Carmella Elizabeth Varona: I wish I could fix the car right now and give it to you so you could be happy

[7/17/21, 8:38:31 AM] Fame Carmella Elizabeth Varona: I wish things were different

[7/17/21, 8:38:39 AM] Fame Carmella Elizabeth Varona: Wish

[7/17/21, 8:48:03 AM] Kevin J Scott: It's ok Fame. It's my fault. I'm sorry. Sorry for being an ass. Sorry I don't ask how you are doing because we used to be good friends. It's my fault for letting my feelings get strong for you and hope that there might be something between us some day. Not your fault. I'm just trying to have that space by not asking you how you are like I used to because I'm just trying to move on. I know there is nothing more than just friends with you and me so I have to do what I have to. I'm not trying to make things awkward, just trying to respect myself and not let myself feel more than I do. Which is totally my fault.

[7/17/21, 8:53:01 AM] Kevin J Scott: And I haven't been sleeping well over last few weeks just because, and haven't been feeling well. Also been up early as we are at White House setting up for later before the sun hits

[7/17/21, 8:58:13 AM] Kevin J Scott: Of course I wanted more but that was my problem. You did always say you were never ready for anything and I allowed myself to keep feeling. My fault for allowing myself to keep holding on hoping one day it might change, but it was obviously not gonna change unfortunately

[7/17/21, 10:22:28 AM] Fame Carmella Elizabeth Varona: I really dont want to argue first thing in the morning☹

[7/17/21, 10:32:20 AM] Kevin J Scott: Fame I think about you all day every day, believe it or not. Last thing I ever wanna do is argue with you

She's doing a soft opening next Sunday August 1st. I helped her with some stuff and she invited me to come get some free stuff like Massage. Facial. Manicure. Pedicure. [2/17/22, 7:05:23 AM] Kevin J Scott: Good morning. What was the phone call for on Saturday?

[2/19/22, 11:10:18 AM] Kevin J Scott: Morning. What was the message you were going to send? Also any update on the money and the car? Thank you

[2/20/22, 11:41:35 AM] Kevin J Scott: ???

[2/20/22, 9:51:44 PM] Kevin J Scott: ???

[2/20/22, 10:15:25 PM] Kevin J Scott: Can you let me know please?

[2/23/22, 2:55:01 PM] Kevin J Scott: Can you please let me know what's going on with the money and the car? I hate you being like this and not replying and it's so annoying. Last thing I want to be doing is constantly messaging you when I don't have to as I don't want to annoy you. Just want what's owed back please

[2/28/22, 10:42:46 AM] Kevin J Scott: Good morning Fame. Can you please let me know what's going on with the money and car? Thank you

[2/28/22, 6:53:43 PM] Kevin J Scott: ?

[3/3/22, 12:15:09 PM] Kevin J Scott: Can we meet for a coffee please?

[3/3/22, 10:09:37 PM] Kevin J Scott: ?

[3/16/22, 11:29:08 AM] Kevin J Scott: Good morning Fame. How are you? Can you let me know please what's going on with the money owed and with the car? Been a few months now and nothing from you.

[3/22/22, 12:43:20 PM] Kevin J Scott: Hi. Can you please let me know what's going on with the car and money owed please?

[3/24/22, 11:43:05 AM] Kevin J Scott: Well it's over 3 months now and not a single word from you as to what's going on with the car getting fixed or repaying my money owed. You are leaving me with no option abs now I will contact your parents first and ask to meet with them and see if they can assist me in getting this back and then go from there. Again, you have left me with no option

[3/25/22, 5:11:35 PM] Fame Carmella Elizabeth Varona: Not sure why you think threatening to talk to my parents would make a difference in me talking with you because it doesn't. I am grown and they would just be like they have no idea what you are talking about anyway. I have not been wanting to speak to much of anybody lately. Stop taking everything personal. If I don't want to I don't have too.

[3/25/22, 5:13:57 PM] Fame Carmella Elizabeth Varona: I have been dealing with my own personal shit. And as mentioned to you before if you wanted to come get the car you can. Someone wanted to buy it for \$1500 the other day. But could not get you then. We can chat about it soon. Meet next week I guess. As far as all that other shit please stop with the fuckery

[3/26/22, 10:17:38 AM] Kevin J Scott: It's not about me with any fuckery. Im just trying to get what's owed. But I can meet on Tuesday or Wednesday as I'm in the brac on Thursday and Friday

[3/26/22, 11:16:05 AM] Fame Carmella Elizabeth Varona: You keep talking about whats owed and not everything you are saying is accurate. Thats why we could not work out

because you would do things for me and call it out the kindness of your heart but it was always with strings attached as when things did not work out between us then all of sudden its you have to pay me back. Very messed up.

[3/26/22, 11:16:37 AM] Fame Carmella Elizabeth Varona: Then you are talking behind my back and going around to my friends

[3/26/22, 11:16:38 AM] Fame Carmella Elizabeth Varona: Wtf

[3/26/22, 11:18:02 AM] Fame Carmella Elizabeth Varona: Anyways I really dont like confrontation and dont want to argue. Was hoping we could keep our friendship but you make things so awkward all the time

[3/26/22, 11:18:16 AM] Fame Carmella Elizabeth Varona: We can chat prob Tuesday or Wed

[3/26/22, 2:12:33 PM] Kevin J Scott: I tried to do things for you Fame but seems you never had any interest in me. That's when I became awkward because felt everything I did was for nothing. But again can chat on Tuesday or Wednesday as I also don't like confrontation
