PARTICULARS OF CLAIM

(Here set out in numbered paragraphs the grounds upon which the Plaintiff claims that the Defendant is indebted to him or is liable to pay damages to him)

1. On June 8th 2022, the Defendant signed a tuition enrollment contract with Montessori del Sol to enroll his child in our program for the 2022/23 school year commencing September 2 2022. The contract committed the Defendant to a monthly installment program for the payment of the annual tuition fee for a full-time place.
2. The Defendant's child attended our school program full time commencing September 2 2022, including attending optional additional holiday camps, after school care and after school clubs, until the child's enrolment ceased, effective February 28th 2023.
3. The Defendant made late partial payments of school fees on September 30th, October 4th, 5th and 21st 2022, and failed to make any further payments towards the child's tuition fees and attendance in additional activities during the period October 21st 2022 to February 26th 2023, thus accumulating a debt to the school of CI\$5,490.00
4. The Plaintiff made repeat requests and reminders by email, telephone and in person, to settle outstanding balances during this time, offering payment plans and extending deadlines, ultimately instructing the Defendant that settlement of the full outstanding balance would be required in order for the child to continue attending our school after February 28th 2023.
5. The Defendant failed to settle the outstanding balance, therefore the child's enrollment privilege was revoked effective February 28th 2023.
6. The Plaintiff provided the Defendant with a Letter Before Action on March 29th 2023, and received no response from the Defendant to our request to settle the outstanding balance.
7. The Defendant used services amounting to CI\$5,490.00 for which they didn't pay, and therefore should reimburse the Plaintiff for the amount owing.

AND the Plaintiff claims:

- 1 The sum of CI\$5,490.00.
- 2 Interest in the sum of \$ _nil_ calculated at the prescribed rate from to date.
- 3 Fixed costs of \$ _____, alternatively costs to be assessed.
